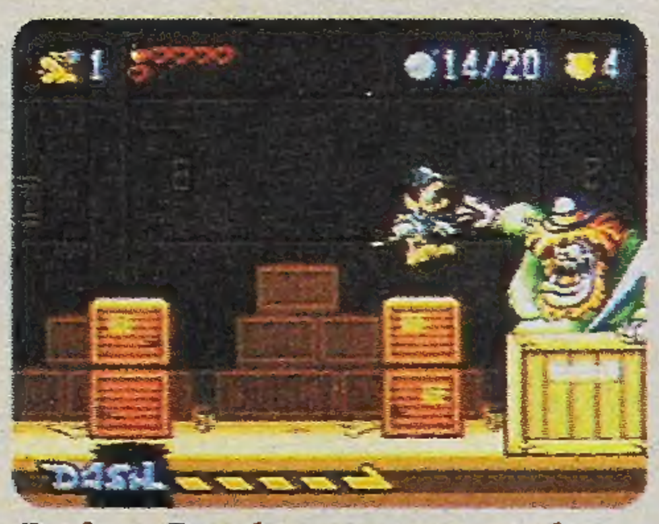
DISNEY'S BONKERS HITS HOLLYWOOD TO TOON OUT CRIME.

Citizens Breathe Sigh of Relief

By Scoop Jones
CAPCOM PRESS

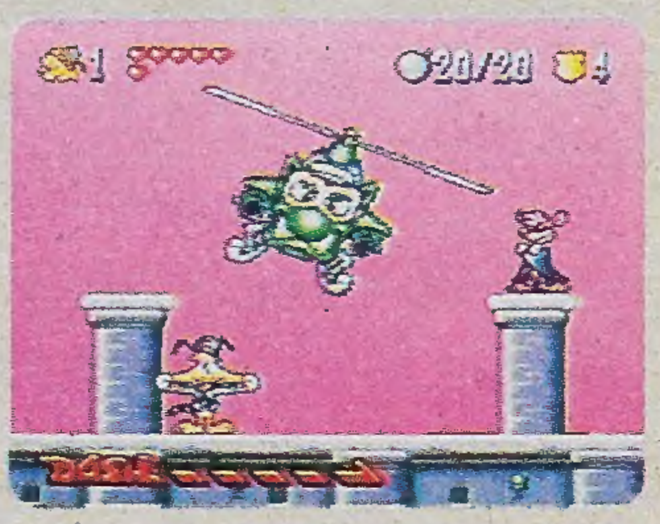
HOLLYWOOD, CA This city, famous for its glamour and fabulous movie stars, is suffering its worst crime wave in years. Informed sources say a nefarious group of Toons, humans and their henchmen are behind all of the trouble. Authorities are getting ex-Toon star turned cop Bonkers D. Bobcat and his human partner Lucky Piquel on the case A.S.A.P.! At a packed press conference today Bonkers told reporters, "These crooks won't own

the streets for long. Let's just say by the time it's all over they'll be seeing stars. And not the kind in the movies."



Before Bonkers recovers the stolen Toon Treasure, he has to get Louse out of his hair.

Uh oh! Wooly and Booly are waiting to sabotage Bonkers at the end of the conveyor belt.



Bonkers could be in over his head if he doesn't watch out for the Toon Helicopter.

$10 PRIZE

SIBERIAN TIGER

The Siberian tiger's natural environment is the evergreen forests of northeastern China, Korea and eastern Siberia. The largest of all cats, the male weighs an average of 450 pounds. The Siberian tiger is a massive animal and a graceful hunter, leaping through snowdrifts to prey on wild pigs, badgers, elk, even bear. The average life span is about 20 years. Their only threat to survival is man, who has brought them to near extinction. Now there are only about two hundred of these creatures left in the world.

HOLLYWOOD STAR

"ACME ANIMATION FACTORY" TURNS CARTOON WORLD ON ITS EAR!

by Howmuchdoes A. Hemmingway

Is it the most massive mix-up in Looney Tunes history? Or have a million masters of animation suddenly surfaced? The answer can be found in new **Looney Tunes Acme Animation Factory**. It lets anyone create their own Looney Tunes cartoon adventures!

Sources at Sunsoft, makers of the **Acme Animation Factory** game for Super NES, confirm that new Looney Tunes cartoon animators are suddenly springing up from coast to coast. This development has fueled speculation that **Acme Animation Factory** is more than an ordinary video game. It appears to be something so new and different, it's unlike anything ever seen.

In an exclusive, undercover investigation, this reporter has learned that **Acme Animation Factory** gives you the ability to design, paint and animate just like a professional.

So you can create Looney Tunes cartoon adventures on your Super NES — and save them to watch at any time. You'll choose from a full menu of scenes and characters, or even draw your own. Plus, you can color your creation any way you want, then add titles and create music! It even gives you the choice of using a controller or the Nintendo mouse.

Looney Tunes spokesperson, Bugs Bunny refused to comment at this time. However, Taz did agree to issue the following statement, "Graaaaarwww oooga rawwww ugh blaaa froooooog!" Then he ate my note pad.

Is **Acme Animation Factory** responsible for creating a whole new generation of skilled cartoon creators? The only way to know for sure is try it and literally draw your own conclusions.

EDITOR'S NOTEBOOK

Dear Archie Readers,

I'm sure that most of you have either read or heard about ARCHIE'S LOVE SHOWDOWN. For those of you who haven't, the LOVE SHOWDOWN was a cross-over story which appeared in four parts. Part 1 appeared in ARCHIE #429, Part 2 in BETTY #19, Part 3 in BETTY & VERONICA #82 and Part 4 in VERONICA #82. The response to this storyline, in which ARCHIE finally makes a decision about BETTY & VERONICA, was incredible. This hot news story was picked up by newspapers, magazines, television and radio stations all over the United States and Canada.

The demand for these LOVE SHOWDOWN issues has become overwhelming. In order to satisfy the demands of our customers, we've decided to reprint the entire epic in one convenient volume. Even if you have the original issues, you'll want to own this high quality, prestige format edition. You can relive, or experience for the first time, this landmark series. This special 48-page edition entitled THE LOVE SHOWDOWN COLLECTION, is on sale NOW! Just in time for the Holidays. If you're looking for that gift for the "...person who has everything," your wish has been answered. By the way, there's also a **FREE** poster bound into this book. I'd show you a picture of it, but if you haven't read the LOVE SHOWDOWN, it might give away the story's surprise ending.

Next month.....COMIC CONVENTION UPDATE!

Putting out the fire juggler wasn't on Mickey and Minnie's hot list.

Mickey and Minnie must tame the lion before they become the mane course.

MICKEY AND MINNIE HAVE NEVER FACED A MYSTERY THIS BIG!

"A date at the circus, I can't wait!" says Minnie to Mickey. But when they get there all the performers have disappeared! *"We've got to find the villain who did this!"* says Mickey. So off they go, wearing magical costumes that give them powers to make it through six levels of frozen tundras, haunted houses and more. Can they really bring the circus back to town? *"Come along and see!"* exclaims Mickey.

It's safari, so good, as Mickey and Minnie outrun a turtle in the jungle.
